

BCCRF TREE PLANTING & DEDICATION

Saturday, October 17, 2009

9:00am—1:00pm

Memorial dedication by Mayor Antonio Villaraigosa

Location:

Hansen Dam Recreation Park
11770 Foothill Boulevard
Lake View Terrace, CA 91342

Please join us as we work together in a tree planting to celebrate the life of loved ones who are living with breast cancer, are survivors, who have passed, or have been touched in some way by cancer. Many times we want to honor or remember the special people in our lives. Trees benefit the community by providing a healthy, clean environment and create a special place for family and friends to come together to visit and reflect on the lives of their loved ones.

I would like to participate in the actual planting of the trees

(If you plan to participate in the actual planting of the trees please wear comfortable clothes that you don't mind getting dirty, a hat and appropriate footwear).

I would like to come and celebrate the planting event as a spectator

(For comfort bring a folding chair or blanket to sit on)

I am unable to attend but would like to make a dedication to the tree planting

(If you do wish to participate in the planting, please let us know by **August 31, 2009**)

This project is spearheaded by **Breast Cancer Care & Research Fund** in partnership with **TreePeople**
